## Thank You For The Kind Words

**Boan Jones** I think I had just gotten used to bad service. But from the moment I called Dufresne's I could tell that this was something different. The other place I'd been dealing with made me feel like I, and my car were basically a pain in the neck to them. Here I got prompt, professional service from very welcoming people who communicated with me. No messing around, they just did a great job and restored my faith that there are good repair shops out there. Can't thank them enough. Jeff

**Annie Simmons** Great communication, very fair prices and a quick turnaround on our vehicle. Were recommended by

friends who have gone to this garage for 17 years, they weren't wrong! Would highly recommend them as well.

**Christian Gault** Another great job by Du Fresne's. Marco was able to diagnose and fix my brake/rotor issue in the same day. Cost came in as agreed and was fair. I take all my vehicles here.

**Charlene Chan** We have used Dufresne's for a few years now. They have consistently been quick to respond, honest in their opinions and repair costs and the service is most reliable.

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

### Ingredients:

1 Pork Loin 2-3lbs  
1/2 C Cranberry Sauce

1/4 C Dijon Mustard  
2 Tbsp Olive Oil  
Salt & Pepper to taste

Preheat Oven 375

In a small bowl, mix together cranberry sauce and Dijon mustard until smooth.

Season pork loin with salt and pepper. In an oven-safe skillet, heat olive oil over medium-high heat. Sear the pork on all sides until browned, about 4-5 minutes.

Brush the cranberry Dijon glaze generously over the pork loin. Transfer the skillet to the oven and bake for 30-40 minutes, or until the internal temperature reaches 145°

Let the pork rest for a few minutes, then slice and serve.
