The First Valentine Day Card

One of the most popular ways to express love and affection is through the exchange of cards. Valentine's Day cards can be traced back to the 15th century, when the earliest known Valentine's Day letter was written by **Charles, Duke of Orleans**, to his wife while he was imprisoned in the Tower of

Thank You For The Kind Words

I have been taking my cars to DuFresne's for many years and anytime that i have to take my car somewhere else it is also a hassle and I dont get the service that I get at DuFresne. Preston is my main contact and is super responsive and I know that he is exploring all avenues to make sure my car is taken care of and in a manner that isnt going to break the bank. My mechanic is Jacob who has been great and very friendly when I have had the chance to talk to him. Highly recommend DuFresne as they embody the customer service you expect from a local, neighborhood auto repair shop where you are known as a person and not a phone number.

David Brinker

I've had nothing but outstanding customer service over the years at Du Fresne's.

They are very honest and I am always confident that I receive good advice. A really nice practice is that the mechanic who worked on your vehicle calls when it's finished, or with questions during servicing. It's very nice to be able to discuss things directly with the person who is doing the work.

Local to the NW Portland / NE Beaverton Area. My 2 family cars are coming here for anything car related. Whether it's something as small as windshield wipers or an oil change or something as big as Tires/Brakes or anything engine related. It cost a touch extra for good reason....they been doing this for a very long time at a very high level. Great communication with whoever works on our cars as well as great etiquette from anyone over the phone or at the front desk. I'd recommend anyone to come by with their vehicle(s)

No math is required to solve a Sudoku. You only need logic and patience. Simply make sure that each 3x3 square region has only one instance of the numbers 1-9. Similarly, each number can only appear once in a column or row in the larger grid. The difficulty on this puzzle is easy.

Crock Pot Lasagna

Ingredients:

1 Medium Onion
1/2 Tsp Salt
16.5 OZ Del Monte Spaghetti Sauce
3 C. Mozzarella Cheese
Lasagna Noodles
Italian Seasoning

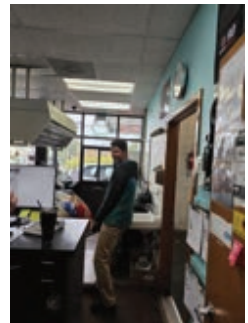

DIRECTIONS

- Mix Cottage Cheese, Spaghetti Sauce, Sausage Mixer, Salt in a medium size bowl. Set aside.
- Put uncooked Noodles on bottom of crock pot. Break noodles so they cover the bottom. Layer 1/3 of the Sauce over the top of the noodles and then a layer of 1/3 of the Cheese. Repeat 2 more times. You might have to adjust the layers for different size crock pots. Do not put the last layer of cheese on.

Happy Valentines Day!

Most successful food drive ever. We had 13 overflowing barrels of food for the Portland Rescue Mission who feeds approximately 900 people a day. We asked for big cans of food, big sacks of flour, rice, sugar, etc. And our customers delivered like they have never before. I am so proud of all of you. Many of you received around \$500.00 in free brakes, many of you didn't receive anything at all. Just felt the need to donate. Thank you to each and everyone of

Eat Ice Cream For Breakfast
1st Saturday in February

The holiday was invented on a snowy February morning during the 1960s by Florence Rappaport in Rochester, New York, the mother of six children. To entertain her two youngest children, Ruth (now Kristal) and Joe she declared it to be Ice Cream For Breakfast Day. She explained, "It was cold and snowy and the kids were complaining that it was too cold to do anything. So I just said, 'Let's have ice cream for breakfast.'"The next year, they reminded her of the day and a tradition began. When the siblings grew up, they held parties and introduced the tradition to friends while in college, and the tradition began to spread.
