From the Desk of Tee

I just wanted to take a minute to say thank you to everyone that have expressed their feeling about the newsletter and especially all you that have tried our recipes and have reported back to me. I do try and make it interesting with local events and interesting local tidbits. I would like to say that there is no hard and fast rule of what I put in the newsletter and especially not on the front page under monthly observances. I want to express my apologies to the person that was offended by me not adding Juneteenth to the observances. If you go back and look there is no rhyme or reason to what actually makes the front page and just because it's a holiday doesn't mean it will make the cut. With that being said if you have any local information that you think would be interesting please drop me an e-mail and maybe you will see it in a future newsletter. TeesWorld23@gmail.com

Thank You For The Kind Words

Donald Ramsthal -Long time customer. I trust this family owned and operated business. They are thorough, professional and caring. Their work is outstanding

Lauren La Follette -The nicest, most honest, and all around wonderful car service experience! This is my third time coming here and I have nothing but good things to say. A wonderful shop with wonderful people working there

Rebecca Bearse-The service at Du Fresne's was excellent. I was greeted warmly when I arrived, all my questions were answered with patience. I also received reminders about my appointment, which I appreciated. The service provided was fast, I had my car back before lunch! I

will absolutely be coming back here for future service and repair needs.

Eric -Excellent service as always. They were able to get to my vehicle quicker than expected and informed me of what needed and DIDN'T need to be done. Honest and reliable.

Paul Snyder-We moved to Oregon from AZ last year. I was searching for a trust worthy auto repair shop and Du Fresnes was recommended. The price is right and amazing service. They did not try to add or push any service. Very professional and transparent. Highly Recommend.

5,000 Years of Civilization Reborn

A Divine Culture—Lost

Through breathtaking dance and music, Shen Yun's artists tell of a time when divine beings walked upon the earth, leaving behind a culture that inspired generations. Ancient Chinese wisdom, infused with Buddhist and Taoist spirituality and values, gave birth to everything from medical innovations to opera, dance, architecture, and even martial arts. But after decades of communist rule, much of this divinely inspired culture has been destroyed or forgotten.

Secrets From Nancy & Tee's Kitchen

Tangy Honey Glazed Ham

1 10 lb Ham-Spiral or Non-Spiral Ham

Glaze

1 1/4 C Packed Brown Sugar
1/3 C Pineapple Juice
1/3 C Honey

1/2 Large Orange
2 Tbls Dijon Mustard
1/4 tsp Ground Cloves
1 1/2 tsp Lemon Juice

Preheat oven 325-Place ham on a rack in a roasting pan. Bake uncovered for 2 hours. While ham is baking, combine brown sugar, pineapple juice and honey in a saucepan. Zest orange into saucepan (I like lots of zest) then squeeze in the juice. Add Dijon mustard and ground cloves; whisk mixture over medium-high heat as it comes to a boil. Reduce heat and simmer until glaze slightly thickens. 5 to 10 minutes, set aside. After 2 hours brush ham with glaze and then every 10 minutes for 30 to 40 minutes. I like to cook a spiral ham and brush the glaze between the spirals.

I cooked this for our Christmas Party and there was not any left for soup the next day.

Best Ham Ever!
